

# HAVE YOUR SAY! and shape the future of Fulbourn

Fulbourn Parish Council, supported by Fulbourn Forum and the Fulbourn Center, is developing a **Neighbourhood Plan** for inclusion in the South Cambridgeshire local planning framework. Our aim is to ensure that the future development of our local area really suits our local needs for housing, business, jobs, education, health provision, recreation, transport, environment, community amongst other issues.

We want to make sure everyone affected has a chance to be heard. Sign up, get involved, send us a comment or just find out more on the **Neighbourhood Plan** web site:

Enter the address in your browser, scan the QR code, or find us via your search engine, the Parish Council or the SCDC web sites.

The **Neighbourhood Plan** is **your** opportunity to shape **your** future.
